We will vote on adopting the revisions of Assembly By-Laws at the Sept. meeting. Bring any suggestions or comments to the meeting.

#### AUGUST 20 MAGIC THEME BECOMES A KID SHOW.

Marlene Clark, Soll Levine, Jeff Doskos and Adam Parisi did routines from their kid shows.

Soll Levine changed a large snowman silk in black and white to one in full color with the help of a magic bag, small silks and Dave Wyskiel. Marlene Clark did two routines: Her "invisible rabbit" became a skunk silk, but she changed it into a rabbit silk. Our Nat'l. S.A.M. Secretary also did a comedy sponge ball routine with Tom Guerrera and Adam Parisi, **MAGIC** with a surprise finish.

Jeff Doskos did a killer routine with a dry-erase paddle and magic marker. (Paddle tricks live!)

Adam Parisi came up with a unique combination of cups and ...water! Dave Wyskiel played the "victim" who expected a liquid finish, but the water disappeared from the cup Adam held over Dave's head.

Parisi also did a neat mental routine with Mike Nabel, who chose a car from prizes printed on playing cards. When Adam showed Mike a little box, inside was — a car.
